We are looking for individuals who feel they can make a positive contribution to the charity by supporting us as a trustee. The role involves **4 trustee meetings a year**, which would ideally be held in-person, but can be online.

Trustees are involved in discussing plans and voting on new policies. This helps the charity to move forward and fulfil our legal responsibilities and aims as a charity. **Trustees are there to make sure the charity is fulfilling the purposes for which it was set up**, and therefore we are looking for trustees who are enthusiastic for the work and mission of Oddments Theatre... **could that be you?**
